PARTY RULES:

Because we have many parties going each day, we feel it necessary to have a list of rules for you to follow. We believe these rules will help your party run more smoothly.

- * Parents dropping off their kids must return 15 minutes prior to the end of the party to pick them back up.
- * You must remain on the premises until every child in your party has safely left the facility.
- * Your party is scheduled for 2 hours. But in consideration for the next party, we require that you begin clean up 15 minutes before your party ends. Please begin gathering items and putting on shoes, etc. and begin clean up.
- * You must clean up your room before you leave. This includes sweeping, mopping up spills, taking the garbage out to the dumpster in the back of the parking lot (and relining the garbage can) and wiping down tables and counters. We provide the cleaning supplies.
- *Adults are not allowed on any of the equipment or inflatables.**
